

MT. STERLING ADVOCATE.

VOLUME XXX.

MT. STERLING, KENTUCKY, TUESDAY, JANUARY 18, 1921.

NUMBER 28

18th Amendment and Volstead Act

With the going down of the sun on the 15th of the month this country has had twelve months of "bone dry" prohibition. The enforcement of this law has met with many difficulties and with the initial steps taken the people are very much pleased. Mt. Sterling, under auspices of the W. C. T. U., celebrated the anniversary with a program in which Dr. J. L. Clark was spokesman, introducing subjects and speakers. Judge H. R. Prewitt was the first speaker introduced. His address was instructive from a legal standpoint and also as to the manner of enforcement of the law. He spoke as representative of Judge of the County Court, prosecuting attorney, as well as giving personal views. Judge Prewitt told his audience that under this amendment and the Volstead Enforcement Act all violations, whether the moonshiner, who made and sold, the bootlegger or the purchaser, each came under the same law as criminals and would be so dealt with. He urged the people to co-operate with officials, that the public and public servants may effectively enforce the Volstead Act.

Hoffman Wood, for 9 years a U. S. Commissioner, reviewed in part incidents that had come before him, told of the difficulties encountered in suspecting, arresting and convicting violators of the revenue laws; that there are people that would give information but would not permit the use of names in order that warrants could be issued, and the guilty brought to justice. Mr. Wood recited many instances and urged the good people to co-operate with officials, county, state and federal, in bringing violators to justice, that the manufacturer of moonshine liquors and bootlegging be put to an end.

County Attorney W. A. Samuels spoke next on the subject, "Does Prohibition Prohibit?" His remarks were brief and to the point and by declination, argument and vision was forceful in pressing home the fact that here, as elsewhere, "prohibition does prohibit."

At the close others were asked to give views as to the enforcement of the laws to which Rev. B. W. Trimble said he anticipated the need of vigilance and rigid effort and that he could be counted on to do his part. Owing to the lateness of the hour the meeting closed after directing the W. C. T. U. and ministers of the city in conjunction with the officials of the courts to meet in the Women's Rest Rooms and name a committee whose business it will be to detect, cause to be arraigned and prosecuted, any violators of the law.

NOTICE

A dividend of one and one-half per cent on the par value of each share of Preferred Stock of this Company for the quarter ending December 31st, 1920, has been declared payable on or before January 15th, 1921, to preferred stockholders of record at close of business December 31st, 1920.

Kentucky Utilities Co., Inc., A. A. Tuttle, Secretary.

Big Sandy sorghum at Vanarsdall's.

Prices Better On Local Brakes

The local tobacco market reopened in this city this morning, after having been closed since January 5th, due to a general dissatisfaction among growers owing to the price offered by the manufacturers.

Although the price is still low and nothing to be compared with prices of the past two years, the market showed considerable improvement over the opening sale. A large crowd was on the floor and bidding was spirited, the Reynolds Company being the largest buyer of the morning. Prices ranged from one-fourth cent to 42 cents per pound, and there were practically no rejections, farmers seeming to have decided to accept the best offer. The quality being offered over the Farmers' floor this morning was very inferior and the floor average will likely be very low. The sale at this house will likely be completed this afternoon and the next sale will be held at the Whitehall, followed by the Robertson. All floors are filled and there are many wagons waiting to be unloaded.

Although a bid is being made on every basket put on the floor, growers are urged to leave their low grades at home as the prices offered (1-4 to 1-1-2 cents), will not pay for hauling the weed to market.

At the time we closed our report only averages of two complete sales were available which we give as compared with offers made on the opening day: Barnes & Wyatt, 1060 pounds, average, \$26.30 against \$21 on opening day; Jack Stofor, 1600 pounds, about \$25.25, as against \$16 on opening day.

Practically all other burley markets re-opened yesterday and made averages as follows: Paris, \$13.80; Harrodsburg, \$12; Richmond, average to date for over a million pounds, \$15.77; Carlisle, \$16.37; Flemingsburg, \$13.23; Frankfort, \$15.50; Winchester, \$12; Tattersalls, Lexington, \$13.38; New Headley, Lexington, \$11.84; New Fayette, Lexington, \$15.58.

The Ayres Company sold 40 barrels of apples Courtday.

Some night, young man, she is going to ask you to carry her handkerchief and her powder rag in your pocket for her when you start out. And when she does, you might as well begin figuring how you are going to pay for the furniture.

LOST, STRAYED OR STOLEN—Two Steers, weighing about 850 lbs. On J. Coleman Reid farm on Winchester pike. Liberal reward for information leading to their recovery. (28-t-t) A. C. BOGIE.

A lot of men have an idea that a dictionary is something you used to put on a chair and stand on when you are hanging pictures.

FOR SALE OR RENT—A small farm.—Miss Mary Evans, No. 32 Clay street. (18-tf)

When company stays too long just treat them like members of the family and they'll soon beat it.

The time is coming when a feller will ask for the kind of beer that his mother used to make.

\$1,000,000 Shale Oil Corporation to Begin Operation Within 9 Miles of Mt. Sterling

The Central Shale Oil Corporation, incorporated under the laws of Delaware for \$1,000,000 capital stock, the stock being largely owned by Pittsburgh and Ohio parties, has purchased outright about 1000 acres of land on Slate creek about 9 miles from this city on the K. & S. A. division of the C. & O., and weather permitting, will begin work within the next few days as preliminary steps to the construction of a plant by which oil will be taken from the shale and utilized.

Mr. V. O. Foulk, of Pittsburgh, secretary of the company, is in this city, and is our authority for all information contained in this article. He states there is on this 1000 acres of land sufficient shale to supply a plant having a daily capacity of 1000 tons for 300 years. The company will start with a 250-ton daily capacity as a unit, and estimate that they will within a few years reach a capacity of several thousand tons daily. The first work will be the construction of a switch three-fourths of a mile in length to the K. & S. A. Railroad, going up Town Branch to a point where the plant is to be located. The company estimates its ultimate expenditure at \$500,000. It is estimated there is sufficient shale on the acreage of the company to produce 40,000,000 barrels of oil of a high grade equal to the Pennsylvania oil. This oil will be refined, producing gasoline, kerosene, lubricating oil, paraffin

wax, fire-proof roofing material, rubber tire filler, ammonia, which will be converted into a high grade fertilizer, making 40 pounds to each ton of shale and is a valuable by-product. This shale will also produce a fuel gas sufficient to run the entire plant and also supply the city of Mt. Sterling and other nearby cities.

The remnant of the shale rock, after the oil, gas, etc., have been removed, in the opinion of Mr. Foulk, can be converted into a cement equal to the Portland Cement, and would prove a great aid to road construction in this county. The company hopes to arrange with the railroad officials to run a special morning and evening so that the laboring classes may live in Mt. Sterling, where such a force of men as is contemplated would be a great help to this city.

As we understand the industry, the business of removing oil from shale is not a new undertaking, but one that has been in practice in several of the foreign countries for the past half century with much success, and according to experts, oil can be procured in this manner at a less cost than drilled from the ground, to say nothing of the many valuable by-products.

Mr. Foulk is very enthusiastic over his company and according to his statements there is absolutely no doubt as to the success of the enterprise.

Half of Population Live in the Cities

For the first time in the country's history, more than half of the population of the continental United States is living in urban territory. Persons living in cities and towns of more than 2,500 when the 1920 census was taken numbered 54,318,032, the census bureau announced, while those living in rural territory numbered 51,390,739.

The population of the cities and towns in 1920 showed a gain of 5.6 per cent over that in 1910, and was 51.4 per cent of the total population of the country. The proportion of urban population is larger than in 1910 in all but three states—Colorado, Montana and Wyoming—the largest increase being that for Michigan—from 47.2 in 1910 to 61.1 per cent in 1920. Texas, Indiana, Ohio, Florida and Oklahoma also showed considerable gain in the proportion of population living in urban territory.

The bureau's statement did not undertake to account for the drift from the rural to urban territory, but previously officials there have attributed it largely to the World War. Large salaries in the cities attracted many from the country, while many soldiers who lived on farms before joining the army took up life in the cities after their discharge.

In total urban population, New York leads the country, while Pennsylvania stands second, Illinois is third, Ohio fourth, Massachusetts fifth and New Jersey sixth. Rhode Island has the highest percentage of urban population compared with its total population with 97.5 per cent. Massachusetts is second with 94.8, New York third with 84.7, New Jersey fourth with 73.7, California fifth with 68.0 and Illinois sixth with 67.0.

In rural population Texas leads, while Pennsylvania is second, Georgia third, Ohio fourth, Illinois fifth and North Carolina sixth, each having more than two million people living outside of cities and towns.

Mississippi has the highest percentage of rural population as compared with its total population, it being 86.6 per cent.

MAKE MT. STERLING A DISTRIBUTING POINT

By way of an introduction and our coming before the public and our prospective customers of Mt. Sterling we wish briefly to tell you something of our people and our products.

First, the Robinsons of West Virginia, whom we represent, have an orchard of 500 acres, bearing. They had a crop of more than 20,000 barrels of fine winter apples of their own growing in 1920. They began spraying before the bloom appeared and continued once each week until apples were half grown. They were still spraying when the writer was visiting their orchard in July. The crop was gathered in fine shape, hand-picked, and machine graded, insuring a uniform grade and quality of fine color and entirely free of worms. In coming here with a full car load we felt it somewhat of a venture, but we feel with co-operation of the people we can establish a business that will be a mutual benefit to our patrons and ourselves. That is, by making a saving to the trade of 50 or 60 cents per barrel local freight from Cincinnati and Lexington. If we can save you approximately a hundred dollars on each car, and we can by your hearty co-operation, have your patronage and make Mt. Sterling a distributing point.

Very respectfully,
J. H. AYRES & CO.

SWEET CLOVER AND HONEY

Sow sweet clover, cheaper and better than red clover. Buy direct from grower, special scarified seed for prompt germination. Prices and circulars free. Also prices on honey.

JOHN A. SHEEHAN,
R. F. D. No. 4, Falmouth, Ky.
(24-6t)

Lawyers ought to be smart, for when they're young they have a world of time for study.

Tobacco Meeting Is Well-Attended

A tobacco meeting attended by between four and five hundred growers, was held at the courthouse yesterday afternoon. Judge Henry R. Prewitt presided over the meeting and addressed the growers on the subject of the problems now confronting them. Judge Prewitt urged the farmers to keep their low grades of tobacco off the markets and to bring in only their better grades. He also pointed out the wisdom of cutting out altogether the 1921 crop, stating that manufacturers already had on hand a three-years' supply of the weed. The growers were enthusiastic in their support of the movement and unanimously voted for the cutout.

A Gift to U. of K.

The best experimental superheater ever made is now being installed at the University of Kentucky, according to announcement made by Dean F. Paul Anderson, of the College of Engineering. It is the gift of the Locomotive Superheater Company, of New York, and was sent to the university in recognition of the work of N. T. McKee, formerly of Mt. Sterling, and a graduate of the university, who is now one of the company's leading experts. Mr. McKee is now in London installing European offices for the company.

N. T. McKee will be remembered as Trimble McKee, son of Judge H. Clay McKee, and brother of Mayor Reid McKee. Trimble McKee is one of our own Mt. Sterling boys, of whom we are proud.

Miss Robinson Dies

Miss Anne Robinson, aged 54 years, died Thursday morning of pneumonia at the home of Jim Alexander, near Flat Creek. She was a well known and highly respected Christian woman. She is survived by several sisters and brothers. The funeral services were held at the grave Friday afternoon and were conducted by the Rev. Clyde Dunsie, of the Christian church. Burial took place in Machpelah cemetery.

URNS GIFTS SOUTHWARD

John D. Rockefeller has within the past six months given the Relief and Annuity Board of the Southern Baptist Convention \$200,000. This board is located at Dallas, Texas, and it is its duty to care for the needy, aged preachers of the Southern Baptist churches. More may be expected. This \$200,000 was given at intervals and Mr. Rockefeller's plan is, when his gifts are started they are kept as needed.

NOTICE TO SUBSCRIBERS

If, at any time, our carriers should fail to deliver your paper we will take it as a favor to ourselves if you will call 74 and make your complaint. In this way only, is it possible for us to perfect our carrier system, and we are anxious to have each and every subscriber of The Advocate receive his paper regularly.

Inclement Weather Makes Business Dull

Monday was one of the coldest of the winter, preceded by a week of snow and sleet, making the weather very disagreeable, which made it impossible for the mountain people to bring in a large number of cattle, but what were here sold at about the same range of prices as those of December court. There was a load of good mules here from Ohio that were sold at auction, bringing from \$200 to \$400 per pair, with one very fine pair selling for \$500. The small run of cattle of today is indicative of a large run for February court.

Good steers sold mostly by the head at 7-1-2 to 8 cents. Heifers 6 to 7 cents. Canners, 2 to 3 cents. Bulls 5-1-2 to 6 cents. We predict a large run of cattle for February court and it will pay buyers to attend.

ACCEPTS POSITION

Miss Bessie Lane, of this city, has accepted a position with the Mary Cumming Company, of Louisville, as traveling representative. Miss Lane will have as her territory the state of Virginia and will assume her duties on February first. The Cumming Company are designers and manufacturers of ladies' gowns and frocks and are to be congratulated upon securing Miss Lane's services.

Whiskey Tax Now Being Argued

Entire of the Court of Appeals sitting, the case as to the constitutionality of the legislative enactment imposing a tax on whiskey in bonded warehouses, has been argued and it is up to the court for decision. If this law is upheld the fifty cents per gallon would do much toward creating a fund to be used in the construction of good roads.

County Financial Report in This Issue

We desire to call the attention of every citizen of the county to the financial report of Montgomery county, which appears on pages 2, 3, 6 and 7 of this issue. Every taxpayer interested in the county's affairs should familiarize himself with this report.

KNIGHTS TEMPLAR

There is a called meeting of the Montgomery Commandery No. 5 K. T. on Thursday evening, January 20th, 1921 at 7 o'clock for conference of degrees. T. H. WILSON, E. C.

HEMSTITCHING

Although not able to attend to it myself, my hemstitching will continue. Your orders will be appreciated. Call phone 31 or 605. 24-4t. (Miss) Ola Rogers.

To the Citizens and Taxpayers of Montgomery County, Kentucky:

The members of the Fiscal Court for said county present for your information and most careful consideration the above statement of the financial condition of said county on the close of business on June 30th, 1920; it being the close of the fiscal year, 1919:

Also a statement of the receipts and disbursements from June 30th, 1919, to July 1, 1920, as shown by the books of the County Treasurer, etc.

Below find a summary of the claims allowed and following same an itemized list of all claims allowed.

The county gets its return from the taxes, practically all in November and December and from that time on we had some surplus in the various funds up to June 1, 1920; this surplus the court loaned to the United States government, and in return therefor the court received \$194.70 in interest.

ASSESSMENT

Made as of July 1st, 1919 for year 1920.

For state purposes	\$14570157.00
For county purposes—about	\$12250000.00
Corporation franchises and tangible—about	850000.00
Total subject to county taxes	\$13100000.00
About 2800 poles.	

COUNTY SCHOOLS

Amount of assessment subject to county school taxes.....	\$9250000.00
Franchises	650000.00
2000 County School Poles.	

PAY OF COUNTY TAX COMMISSIONER

The County Tax Commissioner is allowed by law 5 per cent on first million and 2 per cent on the balance.

For making the above assessment Mr. Harry F. Howell received \$3,214.03, all of which was paid by the state of Kentucky.

In addition to the above he is allowed 5 cents a head for listing dogs.

SHERIFF'S COMMISSION

Mr. John G. Roberts received for collecting the 1919 taxes as follows:	
County and School Taxes	\$3656.11
State taxes—about	2000.00
Total commission	\$5656.11

COUNTY LEVY FOR 1920

The court levied a tax of 50 cents on each (\$100.00) one hundred worth of property, divided as follows:

Bridges	2 cents
Turnpikes	23 cents
Fees and Salaries	6 cents
Sinking fund on turnpikes	2 cents
Paupers	2 cents
Miscellaneous	15 cents

Total 50 cents
\$1.50 Poll Tax.

LEVY FOR SCHOOL PURPOSES

The court received the following communication from the County Board of Education, which is in words and figures as follows:

To the Fiscal Court of Montgomery County—Gentlemen:

The County Board of Education of Montgomery County, Kentucky, pursuant to the rules of the State Board of Education as directed by the laws of this Commonwealth (being Acts of the General Assembly 120, approved March 22nd, 1920) hereby submits an itemized statement or budget showing the amount of money needed for supplementing teachers' salaries, improvements, repairs, furniture, etc., and for the maintenance and support of the schools under the jurisdiction of our Board of Education for the succeeding school year 1920-1921. After deducting the state funds available the amount which will be needed to be raised by local taxation, including the rate of levy necessary to raise such amount, viz:

Teachers' and other salaries	\$32000.00
Furniture and apparatus	1000.00
Fuel and other supplies	1000.00
General expenses	1459.84
Building and repairs	10000.00

Of this sum we receive from the State of Kentucky approximately \$12,000, leaving a balance to be supplied by local taxation of \$33,459.84.

The total assessed valuation of all property subject to taxation for school purposes in this county, as shown by the County Clerk amounts to \$9,113,098. Based on this valuation, it will be necessary, in order to raise the funds needed as shown in the foregoing statement, to make a levy of 35c on each one hundred dollars of taxable property, which is subject to the tax, located in this county.

We respectfully request that the Fiscal Court shall also impose upon each legal voter residing in this County, who is subject hereto, a capitalization tax of one dollar.

The foregoing statement is respectfully submitted by order of the Montgomery County Board of Education on this third day of May, 1920.

Georgia Sledd, Chairman of Montgomery County Board of Education.

R. C. Palmer, Secretary of Montgomery County Board of Education.

Ray Moss, E. O. Downard, Simpson Garrett.

The law makes it the duty of the Fiscal Court to make the levy asked for by the board and in accordance with the above request we made a levy of 35 cents on each one hundred dollars worth of property outside of the city of Mt. Sterling and one dollar poll tax.

GOVERNMENT TRUCKS

As announced in our report of last year and through the local newspapers the United States government was distributing to the various counties army trucks, this county was allotted and has received one Velie truck and two four-wheel-drive, three ton trucks. We only got the chassis and we have had each of these trucks fitted up with dump bodies for the purpose of hauling stone on our roads. Two of these trucks had set out in the weather so long that they were badly damaged and we had to replace many parts and are still having to do so from time to time. The dump bodies and repairs on these trucks have cost the county about four thousand dollars to date. During the past weeks we have been using these trucks in hauling stone; however, THEY ARE VERY EXPENSIVE TO OPERATE and keep in repair.

LOT, WAREHOUSE AND BARN

To take care of our road trucks, machinery, teams, wagons, etc., and for storing bridge lumber, culverts and other supplies the county, as mentioned in the report of last year, we purchased from Mr. I. F. Tabb at the cost of Seven thousand dollars, a brick warehouse, with metal roof, located on the North side of Locust street, across the street from the Shipping pens; in connection with same there is a large lot in the rear; this is an excellent piece of property and was badly needed by the county for the above named purposes, and in the opinion of the court and other parties it was a good purchase and could now be sold at a profit. The cost price (\$7,000.00) of the above warehouse was paid in cash out of the general funds during the fiscal year 1919. We have had same fitted up with a blacksmith shop, water, electricity and a 500-gallon gasoline tank and pump and buy our supplies at wholesale.

CONDITION OF OUR ROADS

Fall of 1919 our roads were in fairly good condition and compared favorably or better than the roads in Bourbon and Clark. Winter of 1919-1920 was very wet and many washing rains one after another tore up what work we were able to do. It has been almost impossible to get sufficient labor and impossible to get material at all, except in a most limited way.

In Fall 1919 we advertised for two thousand rods of rock to be put on the various roads of the county, and we would have same spread; we only got bids on about three or four hundred. We endeavored to get rock from other counties, but failed; tried to have rock shipped from Carter County and were only able to get a few carloads of chips. The railroad would only permit the Olive Hill quarry to ship rock or furnish them cars. We have been working mostly on the Camargo and Paris roads, neither of which had any work done on them and trying to get them in shape to be taken over by the state.

We realize that our roads are in very bad condition and at present there is no way that we can see to better them but very little in view of our limited funds.

SUMMARY OF CLAIMS ALLOWED

On Account Fiscal Year 1919 from June 30th, 1919 to July 1st, 1920.

Account Turnpikes and oads	
Vouchers (turnpikes)	\$ 3537.17

ANNOUNCEMENTS

We are authorized to announce the following as Democratic candidates at the State Primary, Saturday, August 6th, 1921:

FOR SENATOR

H. S. Caywood

FOR COMMONWEALTH'S ATTORNEY

W. C. Hamilton

FOR TAX COMMISSIONER

T. M. Greene

R. M. Montjoy

FOR SHERIFF

Ben H. Scott

Warren W. Stoner

FOR CITY JUDGE

Ben R. Turner

GOOD ROADS

When Montgomery county awakes to the situation to which she is rapidly drifting she may shut off her dreaming and go to doing something real. Our Eastern Kentucky counties are pleading with our people, telling them of their needs in order to come to our markets, at the same time promising to do their part in making this point more accessible. Mt. Sterling has slept and dreamed while railroads have passed around and near us. We have seen the benefits to other cities, which if added to Mt. Sterling's thrift, another Atlanta would be on the map. Our neighbor, Clark county, is justly proud of what is coming to her and we glory with her as she looks into the future and tells of the road advantages on her state and which will be completed in the near future and with a state upkeep. This one paragraph, which we take from the Winchester Sun, is sufficient to arouse our people to action:

The road situation in Clark county is rapidly growing into shape, and with the present schedule for road construction in Clark county, there is no reason that within the course of two years that Clark county cannot boast of the best roads of any county in the state.

Here are the roads that prompted the penning of the paragraph: Lexington road from Winchester is being constructed, road to the Montgomery line is to be constructed by the Highway Commission, six concrete bridges are to be constructed and when they are the Paris and Boonesboro roads will be turned over to the Commission, and then comes the Iron Works road to the Powell county line, which will be turned over to the Commission in 1922. To us it seems that Clark county can feel justly proud and we almost envy her. We just mention these facts hoping that through the life shown by Clark county our people may become enthused and aroused to action. If we are to reap from Clark's roads we must construct roads and bridges, and if we are to grow in business and population we must join hands with Eastern Kentucky. Action is necessary at this very moment.

FOR COMMONWEALTH'S ATTORNEY

We are authorized to announce W. C. Hamilton as a candidate for reelection to the office of Commonwealth's Attorney, subject to the action of the Democratic voters at the August primary. During his incumbency in office Mr. Hamilton has made a most enviable reputation and is making the race on his past record. This district is composed of the counties of Bath, Montgomery, Menefee and Rowan, and as Mr. Hamilton has made many friends throughout the district during his term in office he feels that he will make even a stronger race than he did four years ago. He is a native of Menefee county and in his home county, like in his adopted one, is exceedingly popular. He is recognized as a well qualified lawyer of exceptional ability and is certain to make a strong race.

A STATEMENT VERY TRUE

There are some business men who under these days of reconstruction will seek to reduce expenses by cutting their advertising accounts, when it should be to study this part of their business expenses the more closely and advertise economically, wisely and continuously. Don't be like the man who came to this conclusion: My neighbor advertises, the buyer will pass my place of business to inspect articles advertised, return to me and I will give a cut price, informing the customers that he is getting the same article at a price less the cost of advertising. Such a method may work once, but not many times and the fellow thus deceiving may live to see the day when accumulated dust on show cases would be an appropriate place for his death inscription. They who lend, learn to motor their own wheels, free from the lubrication of another.

THOMAS M. GREENE FOR TAX COMMISSIONER

Having been a Democrat all his life and a loyal party worker, Thomas M. Greene, son of the late Mr. and Mrs. W. B. Greene, has authorized us to announce him as a candidate for the office of Tax Commissioner, subject to the action of the Democratic voters at the August primary. Mr. Greene is a livestock trader and is widely connected and has a large circle of friends who will rally to his support and do everything in their power to secure for him the party nomination. He is a deserving young man of untiring energy and in the event of his nomination and election, will make a faithful public servant. We bespeak for his claims careful consideration by his fellow Democrats.

ANNOUNCES FOR TAX COMMISSIONER

In the proper place in this issue will be found the announcement of R. M. Montjoy as a candidate for Tax Commissioner, subject to the action of the Democratic voters at the primary, August 6th, 1921. Mr. Montjoy is now a deputy in this office and was formerly a deputy sheriff of this county and has efficiently and faithfully performed every duty of public trust. He has been a life long Democrat and has a large following who urge for his claims careful consideration at the August Primary.

GOES 30 MILES FOR MORE TANLAC

Says It's Most Wonderful Medicine In World and Would Go 100 Miles Rather Than Be Without It.

"I have to go thirty miles for Tanlac, but I would go a hundred rather than be without it," said Mrs. Eleanor Case, of Norwich, Pa., while visiting recently at 644 Phillips, Ave., Akron, Ohio.

"When I began taking Tanlac I only weighed a hundred and thirty-five pounds and now I weigh a hundred and fifty-one. I had suffered for three years from indigestion and other troubles. My appetite was poor, I had severe pains in my sides, back and chest and awful spells of dizziness.

"My sleep at night was very much broken and I always woke up in the morning with a dull, tired feeling and was so weak and lifeless that I could hardly get up energy enough to cook a meal or sweep my house. It took about all the strength I had to climb a flight of stairs and I would reach the top almost completely exhausted.

"Since taking Tanlac I feel like an entirely different person. My appetite is wonderful and everything agrees with me. I am free from pains and dizziness and I sleep soundly every night and wake up in the morning feeling fine. My house work is actually a pleasure to me and I can run up and down the stairs the same as I could when I was a girl.

"After seeing how Tanlac was helping me, my husband began taking it and it is doing him a world of good, too."

Tanlac is sold in Mt. Sterling by Land & priest.

Let us hope for the best and when we get the worst, just press on and make out like it didn't happen.

Men are a lot like fish. You never hear of one getting the hook because he kept his mouth shut.

NOT THE ONLY ONE

There Are Other Mt. Sterling People Similarly Situated.

Can there be any stronger proof offered than the evidence of Mt. Sterling residents? After you have read the following, quietly answer the question.

J. B. Richardson, prop. grocery, Mayesville street, Mt. Sterling, says: "My kidneys were out of order and made me feel miserable all over. I wasn't good for any kind of work. My back was weak and lame and my kidneys were irregular in action. At times they were too frequent and then again scanty. I am on my feet a great deal and have much stooping to do and blame that for the trouble. Doan's Kidney Pills were recommended to me and I sent to Lloyd's Drug Store and got two boxes. I used them as directed and they fixed me up. I am glad to recommend Doan's."

Hotels Must use Pure, Safe Water

Resorts throughout Kentucky will not be given permits to open up next season or, in the case of those which are open the year around, to continue to operate unless the drinking water that they use is absolutely safe, unless they have an adequate system for the disposal of sewerage, and unless their kitchens and dining-rooms are screened against flies.

Notice to this effect will be formally given all the resorts of the state by Dr. A. T. McCormack, State Health Officer, Louisville, and later in the year Dr. J. I. Whittenberg, State Sanitary Inspector, will visit the resorts to see that they have made or are making plans to comply with these requirements.

This action was taken by the State Board of Health after Dr. McCormack had received a letter from the City Health Officer at Cincinnati informing him that every one of the seven members of a family which spent last summer at a Kentucky resort had had typhoid fever.

The water supply of the resort was investigated and it was discovered that it had two springs, one above the hotel and one below it, the upper one perfectly safe, but the lower one contaminated by a leak from a sewer. Inquiry brought to light the fact that the seven people who had been ill with typhoid fever all had used water from the lower spring.

Dr. McCormack's announcement of the requirements of the State Board of Health for safe water, adequate sewerage and proper screening also states that the board will prepare a list of the resorts which comply with its specifications, these list to be furnished State Health Officers of Kentucky. These officials then will have for ready reference a list of the resorts which it is safe for them to recommend.

FOR RENT

70-acre farm with six-room dwelling and barn to be cultivated about 16 acres corn, 16 acres oats, 5 acres meadow, 30 acres grass

98-acre farm, six-room dwelling and 2 barns, to be cultivated about 12 acres corn, 12 acres oats, 50 acres meadow, 24 acres grass

74 acres grass and 6-acre bottom for corn, adjoining above farms

We also have three other farms and a ten-room dwelling at Camargo For Rent.

It's time to lie low when the buzzards of life catch you without your rubbers and your weather reputation.

Love may not make the world go around, but it sure makes a lot of people act giddy.

Catarhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy. Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine is a true blood purifier and cleanses the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. 75c. F. J. CHENEY & CO., Toledo, O.

SOCIETY

C. B. Stephens was in Lexington Saturday on business.

Mrs. Overton Jones is the guest of her aunt, Mrs. L. H. Blanton, in Danville.

Dr. C. W. Compton left Saturday for a week's visit to relatives in Henderson.

Lee Hise, of Huntsville, Mo., is the guest of his father, Tom Hise, who has been quite ill.

Mrs. Wm. Victor Holley, of New York, is visiting Mrs. Charlie Nesbitt, on West High street.

Mr. and Mrs. R. L. Scohee returned today to their home in Trinidad, Colorado, after a visit to relatives in this city.

Miss Nell Tipton returned today to Colorado Springs after spending some weeks with her mother, Mrs. Anna Tipton.

Jimnie and David Shropshire, of Fayette county, spent the week-end with the former's grandfather, Dr. J. A. Shirley.

Miss Minnie Graves was in Winchester last night to attend the piano recital given by Mrs. J. Ed. Grubbs and her class.

Russell Greene, who has been spending the past few months in Texas and California, will arrive home Thursday night.

W. J. Thompson will leave tomorrow for a visit to relatives at Akron, Ohio, going later to Saginaw and Detroit, Michigan.

Miss Mary Grimes has leased the recently completed residence property of Miss Elizabeth Wyatt, on North Sycamore street, and has taken possession.

Among the Mt. Sterling people who were in Lexington Saturday to attend the matinee "Mary" were: Mrs. Courtney Horton, Mrs. Neale Guilfoile, Mrs. W. S. Lloyd, Mrs. J. A. Vasant, Miss Elizabeth Apperson, Miss Mary Wall White, Mrs. Prewitt Young, Mrs. Robert Coleman, Miss Marianne Young, Miss Laura Hart, Miss Alberta Coleman, Mrs. D. C. Fox, Miss Mary Gatewood, Mrs. Percy D. Bryan, Mrs. Fannie B. Goodpaster, Mrs. J. L. White, Mrs. C. R. Prewitt, Miss Lola Lawrence, Miss Florence McNamee, Miss Sally Nesbitt, Miss Elsa Potter, Miss Aris Chiles, Miss Marcella Chiles, Miss Mary V. Robertson, Miss Ida B. Brother, Frank M. Wyatt, Charles Edwards, R. M. Trimble, Jr., John W. Trimble and Jerry W. Coleman.

Mrs. John C. Winn will entertain at "500" Thursday afternoon and at bridge on Friday afternoon at her home on North Maysville street.

Family Dinner

Mr. and Mrs. W. N. Scohee entertained with a family dinner yesterday in honor of their guests, Mr. and Mrs. R. L. Scohee, of Trinidad, Colorado. From a beautifully decorated table an elaborate three-course dinner was served, and Mr. and Mrs. Scohee's guests were: Mr.

and Mrs. James Scohee and children, Mrs. N. T. Denton and children, Mr. and Mrs. Edward Gorrell and son, Edward, Mr. and Mrs. Tom Fitzpatrick, of this city, and Mr. and Mrs. J. H. Thompson, Miss Elizabeth Dulaney, John H. Dulaney, Miss Pearl William, Charles Huls and Asa Baird, of Clark county.

Birthday Dinner

Mrs. George R. Snyder gave a surprise dinner Sunday at "Cherrywood" in honor of her husband's birthday anniversary. The guests were seated at a large round table, which had for a centre piece a silver basket filled with exquisite pink roses. A delicious menu of several courses was served and covers were laid for the following: Mr. Snyder, Rev. Clyde Darsie, Dr. M. V. P. Yeaman, John L. Coleman, Judge H. R. Prewitt, J. Carroll Hamilton, Hunt Priest, John Stofor, Dan J. Prewitt, Claude F. Snyder, of Lexington; W. H. Strossman and J. Coleman Reid.

Six O'clock Dinner

Mr. and Mrs. Charles B. Stephens entertained a number of friends at a six o'clock dinner, followed by "Rook," Friday evening at their new home on West High street. An elegant menu was served from the card tables, which were later cleared for the games. Mr. and Mrs. Stephens' guests were: Mr. and Mrs. J. W. Thompson, Mr. and Mrs. Adlai Richardson, E. H. Moss and daughters, Mary Catherine and Martha, Mr. and Mrs. R. I. Settles and daughter, Genevieve, Miss Vivian Alfrey, Mr. and Mrs. Stanley Kerns, Mr. and Mrs. Howe Thompson, Mr. and Mrs. Roger Stephens, C. E. Stephens and daughter, Ruth Carolin, Miss Stella Stephens, of Paris, and Mr. and Mrs. D. C. McGuire and daughter, Amelia Clayton.

BIRTHS

A message received here announces the birth of a daughter to Mr. and Mrs. Will Nelson Hoffman at their home in Portsmouth, Virginia, Friday. The young lady has been named Marcia Louise for her paternal grandmother, Mrs. Marcia B. Hoffman and for Mr. Hoffman's aunt, Mrs. Robert L. Coleman.

Pancake and buckwheat flour at Vanarsdell's.

A POLITICAL OLD-TIMER GONE

Matt Gagen, of Louisville, aged 52 years, identified as an associate in politics with the late John Whalen, and who was well known throughout the state, died on the 14th instant, from a complication of troubles.

Real worth is not dependent on office, influence and wealth, but creates them eventually where they are lacking.

Reno, however enterprising, can never hope to get a monopoly on the particular line of business it caters to.

THE SICK

Mrs. W. W. Babank is ill at her home in the country.

Mrs. James S. Bogie is quite ill at her home on West Main street.

N. A. Wilkerson is able to be out after having been confined to his home for several days.

Sugar is said to be a good substitute for alcohol. So we support the next Congress will enact a law prohibiting the manufacture or sale of sugar.

State of Kentucky,
Set.
County of Montgomery,
I, Keller Greene, Clerk in and for the County and State aforesaid, do certify that the foregoing report of the Financial Condition, etc., of Montgomery County for the Fiscal Year, 1919, which ended June 30th, 1920, together with a list of claims allowed, from June 30th, 1919 to July 1st, 1920, were prepared by R. G. Kern, for, adopted and ordered published by the Montgomery County Fiscal Court.
KELLER GREENE,
County Clerk.

GETTING A GOOD START EVERY DAY

Red-Blooded Men and Women Are Up and Doing Bright and Early

FREE YOUR BLOOD FROM POISON

Take Pepto-Mangan, the Famous Blood Tonic Prescribed by Physicians for 30 Years

Sluggish blood clogged with poisons makes you lazy. You never feel like getting up in the morning. And when you get up, you miss that feeling of refreshing rest. You feel more tired than when you went to bed. After a good night's sleep you should get up with a spring, feeling alive, renewed, refreshed.

And you would, too, if your blood were full of red corpuscles. Your complexion would look fresh, your eyes bright and clear; you would feel the warm tingle of good health.

Look to your blood if you have that lazy, heavy feeling in the morning. Begin taking Pepto-Mangan—the ideal tonic. It has blood-building properties that pick you up and give you strength.

Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. It is prepared in both liquid and tablet form. Both have the same medicinal properties.

Sold at any drug store. But be sure you get the genuine Pepto-Mangan—"Gude's." Ask for it by the full name and be sure the full name, "Gude's Pepto-Mangan," is on the package.

EDUCATIONAL TOOTH TALK—32 Fillings

Did you ever lose a filling? It aggravates you of course, and, possibly you blame your dentist. A dentist cannot guarantee fillings to be permanent as a usual thing; but if the filling is properly put in the likelihood of its coming out is quite remote. Permanency depends largely on the condition of the tooth, the size and location of the cavity; but a good dentist can usually overcome those conditions if given sufficient time. Dental speed and long service do not go together.—Dr. H. M. Wright, Traders Bank Building.

Over fifty years ago a young physician practiced widely in Pennsylvania and became famous for his uniform success in the curing of disease. This was Dr. R. V. Pierce who afterwards established himself in Buffalo, N. Y., and placed his "Golden Medical Discovery" in the drug stores of the United States. When you feel run-down, out of sorts, blue and despondent try the energizing influence of Golden Medical Discovery in tablet or liquid form. Nearly a million bottles were sold last year.

Produce Review

Egg receipts are not large enough to meet current needs and with light reserve stocks in storage prices continue at a high level. Any market increase in receipts will result in lower prices in the larger consuming markets.

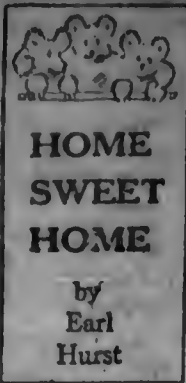

Butter markets have declined during the week, resulting in lower prices for butterfat throughout producing sections. A larger amount of butter is being manufactured each week than during the corresponding period last year. Fine quality butter is in demand, while the poorer grades are "draggy." An improvement in the quality of cream delivered to the creameries would result in better butter and a more generally favorable situation.

Since our last review poultry prices have been generally higher, both in the producing field and the consuming centers. There has been some reaction, however, toward the close of the week, showing that the prices cannot be long sustained on too high a basis.

The old world rolls on and keeps her contract with the sun. Only man gets off in a corner and grows at the universe.

A brute is a husband who gets mad because his wife uses two of his neckties for garters around the house.

Girls Ban Cigarettes; Boys Take a Fling

The younger generation of Champaign, University, Illinois, plans to make it pure and undefiled if the crusade started several days ago is carried out.

It all started when twenty-five girls, members of the Christian Endeavor Society of the West Side Christian church, solemnly pledged themselves not to have dates with young men who smoke cigarettes, and also pledged their influence in stopping the habit. Several hundred of the fair sex have enlisted already and the goal is 1,000 members.

However, the young men are going them one better. They have also formed a crusade. They have formed an organization and intend to make the girls over "into the kind of girls our mothers were."

Hereafter all members of the boys' organization will refuse to keep company with girls wearing skirts at knee lengths. The ban has been placed on the half sock rolled-down variety. They refuse to dance with girls who wear no corsets or wear low-cut dresses beyond the point where mother wore them when she was a girl.

Rouge and paint and other aids to the complexion are taboo; silk socks are also blacklisted. Pulled eyebrows and "ootie garages" must be banished with the shimmy and the toddle, the boys declared.

CORRESPONDENCE

Plum Lick

John Hamilton and Tom Anton bought a bunch of hogs at 81-20.

James Kendall sold a load of corn to Will Haney at \$4.00 per barrel in the field.

C. C. Prather delivered 50 barrels of corn to Cliff Gillaspie at \$4.25.

Charlie Hamilton bought a bunch of cattle in Sideview at 81-2e.

James Kendall sold Cliff Gillaspie 10 barrels of short corn at \$3.50 per barrel.

E. M. Mason bought two loads of corn from John Setters at \$4.25.

Luther Leggett sold 30 barrels of corn to Levi Tackett at \$4.25.

Mr. and Mrs. Walter Rice, of the Levee pike, entertained Wednesday night with a nice social dance. A very large crowd was in attendance.

Mrs. W. P. Staggs, of Sideview, recently entertained with two big dinners 'one for her neighbors and one for her friends in town.

Misses Elizabeth and Gertrude May, who recently closed their schools at this place and at Sideview, left for a visit with their mother at Salyersville. They have many friends in the county who were sorry to see them leave.

The big "Xalapa" or Sims' farm, of near North Middletown which has furnished employment for several hundred hands for the past several years, has about closed down for the time being. The continuous roaring of the big blasting has ceased. The big engines and steam shovels and scrapers are at a standstill, and 200 Mexican workers have gone to their native homes to spend the winter. Mr. Sims has quite a beautiful farm and park and has purchased as high as \$30,000 worth of trees at a time.

A married woman certainly does enjoy getting a single woman into the same kind of trouble.

Indigestion

Many persons, otherwise vigorous and healthy, are bothered occasionally with indigestion. The effects of a disordered stomach on the system are dangerous, and prompt treatment of indigestion is important. "The only medicine I have needed has been something to aid digestion and clean the liver," writes Mr. Fred Ashby, a McKinney, Texas, farmer. "My medicine is

Thedford's

BLACK-DRAUGHT

for indigestion and stomach trouble of any kind. I have never found anything that touches the spot, like Black-Draught. I take it in broken doses after meals. For a long time I tried pills, which gripped and didn't give the good results. Black-Draught liver medicine is easy to take, easy to keep, inexpensive.

Get a package from your druggist today—Ask for and insist upon Thedford's—the only genuine.

Get it today.

Suffered For Fourteen Years

Richwood, W. Va.—"Before the use of Dr. Pierce's medicines I could hardly walk across the house. I suffered for fourteen years. But after taking Dr. Pierce's Favorite Prescription and Dr. Pierce's Golden Medical Discovery, to gether with the Pleasant Pellets, I can work all day and never get tired."—MRS. MAGGIE PERKINS, 122 Riverside Drive.

All druggists sell Favorite Prescription and Medical Discovery.

Kentucky Poor Because of Schools

Kentucky has \$19 invested in school property for each child of school age in the state, according to a statement given out by Superintendent of Public Instruction Geo. Colvin. He compared the investment to that of Illinois, Ohio and Indiana, the states directly north of Kentucky, which he said had an average of \$76 per pupil invested in

school property.

The average for the United States is \$55 per pupil, Mr. Colvin said.

Expenditures per pupil for education in the public schools of the state totals \$9.76, according to the statement, while the average for the three states across the Ohio river to the north is \$27.60 and for the United States, \$22.76.

Kentucky pays \$13.56 per pupil in attendance for teaching as compared with \$24.54 by Illinois, Indiana and Ohio, and \$22.76 average for the United States.

Kentucky's per capita wealth, he added, is \$977, the per capita wealth of Indiana, Illinois and Ohio is \$2,124 and of the United States \$1,965. "Are our schools below standard because we are poor," he asks in conclusion, "or are we poor because our schools are below standard?"
